

## **Driving directions to the produce stand:**

**[Please note – directions to the open day events here](#)**

- Take Latrun exit south (left if you are coming from Jerusalem, right from Tel-Aviv, straight from Modi'in).
- Take a right at the first light – Tzomet Hativa Sheva (signs to Ramla, “Mini Israel”).
- The road passes “Mini Israel” and twists left-right-and left again (sharp curve).
- After the curve, at the circle, turn left towards Kfar Bin Nun.
- Inside the moshav – Continue until the second turn right where there is a red and white sign to the nursery “Shtil v’Zemach” (in Hebrew). Turn right to a partly paved dirt road toward the nursery.
- Soon you will see our “Big Field” sprawling to your left, and a little further on, smaller plots to the right. At the T junction, turn right.
- The road will curve left and stop in front of our packing shed

There will be signs directing you as soon as you enter the Moshav.

Drive safe!
